

# THE 1970 MUSTANG

Of the

191,522 1970 Mustangs,  
40,975 of those were Mach 1s. Of them,  
18,003 were equipped with 351C-4V Engines and  
10,790 of those had Automatic Transmissions. Of these,  
584 were painted Grabber Orange and  
508 of them had Black Mach 1 Interiors. Of those,  
237 came with Shaker Hood Scoops and  
50 of them had 3.50 Traction-Lok Rear Axles.  
39 of those were Twister Specials. They were identical.  
0F05M118871 is one of those Mustangs.  
In addition, it was 1 of 96 Twister Specials produced.
